**WALTER S. SCOTT, Auctioneer**

## Conditions of Sale

1. ALL BIDS TO BE PER LOT. They are executed free of charge by the Walpole Galleries and the items are bought at the lowest price permitted by competitive bids.

2. The highest bidder to be the buyer; in case of disputed bids the lot shall be resold, but the Auctioneer will use his judgment as to the good faith of all claims and his decision will be final. He may also reject any fractional or nominal bid calculated to delay or injuriously affect the sale.

3. Buyers to give their names and addresses and to make such cash payments on account as may be required, in default of which the lots purchased to be immediately resold.

4. GOODS BOUGHT TO BE REMOVED AFTER 9:30 O'CLOCK THE DAY FOLLOWING THE CLOSE OF THE SALE. If not so removed, they will be held at the risk of the purchaser and these Galleries will not be responsible if such goods are lost, stolen, damaged or destroyed. *No deliveries will be made during or immediately after the sale but all bills and goods will be ready at 9:30 o'clock on the day following the sale.*

5. TERMS CASH. If accounts are not paid when bills are rendered, these Galleries reserve the right to dispose of the goods without notice to the defaulting buyer and all costs of such re-sale will be charged to the defaulter. This condition is without prejudice to the rights of the Company to enforce the sale contract and collect the amount due without such re-sale at its own option.

6. This catalogue has been compiled by a competent cataloguer, the various lots offered are described with care and accuracy and they will be sold not subject to return.

7. The Walpole Galleries, if requested, will forward purchases at the buyer's risk and expense.

Priced copies of this catalogue at \$2.00 each after the sale.

Will give infinite pleasure to any one studying birds, small animals, etc.

(Illustrated, Plate 10)

70. OLD PERSIAN BODY ARMOR. L. 37 in., H. 14in.

The entire surface hand hammered into a figure design showing a Potentate with attendants, mythological animals, etc. Ingeniously hinged with hand hammered steel hinges.

(Illustrated, Plate 11)

71. PERSIAN SMALL SHIELD. Diam. 7 in.

Four round bosses; set in a flower like design in red, inlaid with brass scrolls and flowers; guarded by an incised brass band.

(Illustrated, Plate 11)

72. CARVED ORIENTAL AXE WITH DOUBLE BLADE. L. 10½.

Short shaft, entire length 23 in. Snake skin grip, old plaited flat 8-strand leather strap.

(Illustrated, Plate 11)

73. FINE OLD YATAGHAN. L. 27 in.

Crotch grip mounted in carved and bossed brass.

(Illustrated, Plate 11)

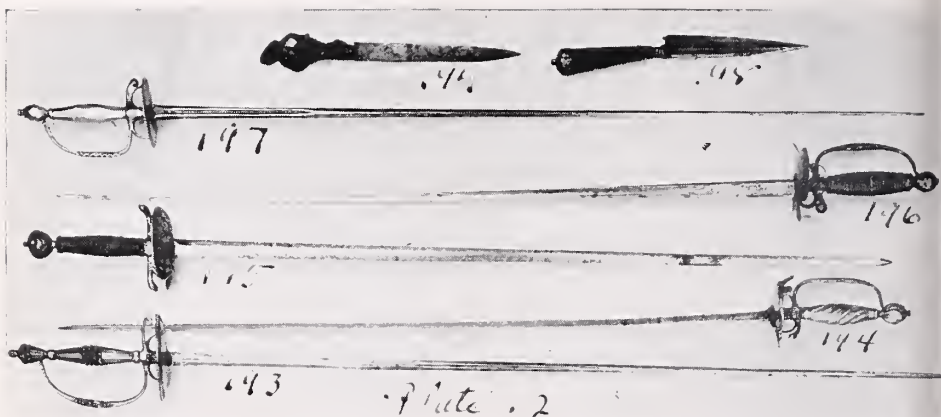

74. HALBERD HEAD. L. 20 in.

Long leaf shape; the hilt split for the insertion of the shaft.

175. **CARVED IVORY SHEATH FOR SHORT SWORD.**  
Deeply carved with the Boys Festival. Contains imitation sword.
176. **DAGGER WITH CARVED IVORY HILT.** L.  $10\frac{3}{4}$  in.  
Ivory cap of hilt missing.
177. **JAPANESE SHORT SWORD.**  
Narrow blade, lacquer scabbard, carved bronze mounts.  
Lacks the small knife, or Kodzuka.
178. **PAIR OF OLD CHINESE SWORDS.** L. 22 in.  
Tortoiseshell sheaths, carved brass sleeves and tips (one tip missing) short quillons, reeded grips and pommel leaf-shape, carved with characters.  
Rare in pairs.
179. **CHINESE SWORD.**  $25\frac{1}{2}$  in.  
The blade is rust-pitted but the hilt is a very fine example of carving as a Dragon head, with silver comb, teeth and mouth-rim on teakwood; with "S" shape flat quillons.
180. **ORIENTAL DAGGER.** L.  $11\frac{1}{2}$  in.  
Short grooved blade set in relief brass mount inlaid with silver or metal in relief, interesting carved hard wood short grip with carved brass cap and band.
181. **TWO ORIENTAL DAGGERS.** L.  $10\frac{1}{2}$  and  $9\frac{1}{2}$  in.  
Similar to the preceding, one has the hilt damaged. (2)
182. **TWO CANNON MODELS.** L. 8 and  $8\frac{3}{4}$  in.  
One of slender bronze, one 8 in.; the other much larger, length  $8\frac{3}{4}$  in., diam. 3 ins. No carriages. (2)
183. **SWORD AND LEATHER SHEATH.** L. 37 in.  
Hilt with bronze guarding strip and butt.
184. **U. S. OFFICER'S SWORD.** L. 38 in.  
Beautifully decorated blade, wire wrapped grip, heart shape brass guard, brass quillons, and oval brass pommel.
185. **LONG SWORD PROBABLY SPANISH.** L. 37 in.  
Bronze ball knob and open wheel-like guard and quillons, incised blade (nicked).

186. **THREE EDGED SHORT SWORD.** L. 24 in.  
 Brass mounts, brass ball pommel, short quillons and flat drooping guard. Rust pitted.
187. **FRENCH THREE EDGED RAPIER.** L. 36¼ in.  
 Carved brass ball pommel, short quillons and double oval guard in a renaissance pattern; wire wrapped hilt loose.
188. **A SCOTCH DAGGER.** L. 14½ in.  
 Short brass quillons; and fine buckhorn hilt with brass cap.
189. **BAYONET.** Dated 1779.  
 Incised *No. 43 V C I C* in a shield.
190. **TWO SWORD BAYONETS.** L. 27 in.  
 Ribbed brass grip on one; the other marked *M're d'Armes de St Etienne, Juin 1878* (metal sheath). (2)
191. **LONDON POLICE "BILLY".** L. 18½ in.  
 Monogram of Queen Victoria "V R" and the letters S C painted in yellow on a blue ground.
192. **BRASS POWDER HORN.** L. 8in.  
 Pear shape, with one side flat, original cord.
193. **FINE EARLY ITALIAN SWORD.** L. 40 in.  
 Slender bevelled double edge blade oval steel guard with pierced lattice band at the edge; short quillons and urn shaped pommel; all adorned with bands of small steel bosses, hand forged.  
 Very fine example.  
 (Illustrated, Plate 12)
194. **UNUSUALLY FINE SWORD.** L. 36.  
 Polished steel blade bevelled and incised. Silver leaf shaped guard, short quillons, fist guard, reeded serpentine grip and crown shape pommel of silver. Very fine quality of steel.  
 (Illustrated, Plate 12)
195. **EARLY ITALIAN SWORD.** L. 38 in.  
 Narrow flat bevelled blade, incised at the hilt, which is bronze wire plaited and wrapped; the guard is hammered in relief with medallion heads repeated in the crown shape pommel and tip.  
 (Illustrated, Plate 12)

196. SPANISH SWORD DATE ABOUT 1775. L. 38 ins.

Tricorne blade, having shield with inscription set in chased and engraved scroll work; leaf shape iron guard and slender fist guard, short quillons and pear shaped pommel all thickly inlaid with gold flowers on all sides. The sheath is of leather in a gold pattern to match and the hook of iron also exquisitely inlaid.

Very fine example, particularly as an example of gold inlaid into iron.

197. TOLEDO BLADE SIGNED PEDRO DEL MONTE. L. 38 in.

Slender four-sided blade, incised and marked on either side "Toledo" and "Pedro del Monte". Oval silvered guard with picot edge exquisitely chased and with sunburst in relief; the hilt panelled in diamond pattern, repeated in the oval pommel.

(Illustrated, Plate 12)

198. BEAUTIFUL LITTLE DAGGER. L. 12 in.

Double edged at tip; with sheath; the grip of horn inlaid with silver and having drooping silver cap, with cord attachment.

(Illustrated, Plate 12)

199. DAGGER WITH BRONZE FIGURE HANDLE. L. 11 in.

The blade inlaid in designs in gold with the monogram "AC"; the hilt being a nude of Daphne entwined in a laurel.
